5:30pm–8:30pm**

## WHERE

**Arena Stage  
1101 6th St SW  
Washington, DC 20024**

STEM for Her (SFH) is focused on championing programs and initiatives that foster enthusiasm and empower girls and young women to pursue a career in science, technology, engineering and math fields of study. SFH offers financial support in a variety of ways as it works towards its vision of empowering women to change the world by excelling in STEM-related careers.

Join STEM for Her in celebrating the holidays and network with business and technology leaders from the DC metro area while supporting girls and young women pursuing STEM-related careers. Meet some of the young women who have benefited from STEM-related programs, and help us say thank you to our sponsors and volunteers who have made *STEM for Her* programs successful throughout the year.
